Piggy Bank Problems

Supply List

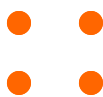

1. Story Problem Cards
2. Bingo Chips
3. Piggy Bank Recording Sheet
4. Piggy Bank Page

Directions

1. Place story problem cards face down on the table.
2. The first player should draw a card and read it. The player should put the number of pennies (bingo chips) they *have* in the piggy bank. Then, the player should either add pennies to the piggy bank to save or remove them to spend according to the card.
3. The player should fill out the Piggy Bank Recording Sheet. The player should draw the number of pennies that they *had* in the piggy bank based on what their current card indicates and the amount they *spent* or *saved* in the matching box on the Piggy Bank Recording Sheet. Finally, they should write a number sentence about what they did.
